Availability Enquiry for Amateur Performance

Please be aware that availability may be subject to change.

The first step when applying for amateur rights is to check that the rights are actually available. If the title you are hoping to produce is currently in the West End, or on tour, then it is highly likely that the rights will have been withdrawn by the copyright owner. However, rights may be unavailable for any number of reasons and it is essential that you check with us prior to setting up a production regardless of where you or your proposed production are based. Enquiring about the status of the rights does not constitute an agreement that rights will be granted, or that they will remain available.

For all enquiries regarding the availability of performance rights please download a copy of our enquiry form and submit it by email to rights@casarotto.co.uk with the title of the play and the name of your organisation in the subject heading (eg. PHAEDRA'S LOVE / Talisman Theatre Group) or by post to *Amateur Performance Rights, Casarotto Ramsay & Associates Limited, Waverley House, 7-12 Noel Street, London, W1F 8GQ*.

Please make sure that you have filled in all sections of the form as any failure to do so will delay your enquiry. We endeavor to respond as quickly as possible to every request but as we receive a very large volume of enquires please allow up to five business days for a response.
